Education

Secondary School Certificate
Dhaka Board
GPA 5.00 in SSC25
Dhaka Residential Model College
2017 - 2025

After SSC English Course
Mentors'
84% Marks in test Performance
2025

Higher Secondary Certificate Candidate 2027
Currently studying in Dhaka Residential Model College
HSC27 Candidate
2025 - 2027

Skills

- Robotics and Embedded Systems
- IoT Project Development
- STEM Competition Participation
- Scientific Problem-Solving
- Presentation Skills
- Networking
- Negotiation Skills

Language

- Native in Bangla
- Fluent in English
- Good in Hindi

About Myself

I am Mahtasim, currently living in Dhaka. I am a passionate student interested in Robotics, Embedded systems, and Scientific problem-solving. I actively Participate in Robotics projects, STEM competitions, and academic Olympiads. I enjoy building Innovative solutions using technology and continuously seek opportunities to learn, collaborate, and contribute to the world of Science and Engineering.

Professional Experience

2023 – 2025 | **Team Member — Oxygen Robotics**
Worked on following Robotics projects:
- **RoboSentinel :** A robot designed to monitor and secure a house when the owners are away.
- **RoboCurator :** An autonomous robot designed to collect balls in an Olympic-style challenge.
- **PatientPal :** A robot designed to assist and monitor elderly or sick people at home.
- **Phoenix Echo :** A robot designed to assist in disaster rescue operations.

2025 – 2026 | **Panel Member at Bangladesh Olympiadians Hub**
Worked at Bangladesh Olympiadians Hub to guide participants in participating different olympiads

2025 – 2026 | **Co-Head of Academics at FCA Math Club**
Working in the Academics Section at FCA Math Club which is a non-profit Organization

2026 | **Executive Member at Oxygen Robotics**
Working as an Executive member of Special Initiative at Oxygen Robotics

Achievements

- **Winner** and **Participant** in the "Children for Peace" World Children's Conference in Russia (2026)
- **Bronze Medalist,** International German Math Olympiad – Online Final Round (2026)
- **Bronze Honor,** International Youth Math Challenge (2025)
- **Champion,** Bangladesh Olympiad on Climate Change and Environmental Issues (BOCE) – **National Round** (2026)
- **National Finalist,** Bangladesh Robot Olympiad (BDRO) – 2023, 2025
- **National Finalist,** Bangladesh Mathematical Olympiad (BDMO) – 2025
- **National Finalist,** Bangladesh Biology Olympiad (BDBO) – 2024, 2025, 2026
- **National Finalist,** Bangladesh Economics Olympiad (BDEO) – 2024, 2025, 2026
- **National Finalist,** Bangladesh Junior Science Olympiad (BDJSO) – 2025
- **1st Runner-Up,** BDMO Regional Round (2025)
- **1st Runner-Up,** BDBO Regional Round (2025, 2026)
- **1st Runner-Up,** BDJSO Regional Round (2025)
- **1st Runner-Up (Project Display),** BCIC College Science Fest (2023)
- **1st Runner-Up (Project Display),** SAGC Mega Science Fest (2024)
- **Runner-Up (Project Display),** DRMC Tech Carnival (2024)
- **2nd Place, "Heritage in Frames" –** DRMC Ramadan Festival (2024)
- **1st Runner-Up, Robotics Olympiad –** DRMC Science Carnival (2026)
- **2nd Runner-Up,** BDBO Regional Round (2024)
- **2nd Runner-Up (Project Display),** AIUB CS Fest (2024)
- **2nd Runner-Up, Robotics Olympiad –** BUET Robo Carnival (2026)
- **3rd Place, Math Olympiad –** DRMC Inter-House Math Olympiad (2026)

Other Workings

Robotics:
- Developed a **Smart IoT Home Automation System**
- Developed a **Surveillance Car, Line-Following Car, Fire-Fighting Car, Bluetooth-Controlled Car**

Volunteering:
- **Senior Volunteer** at DRMC Math Club
- **Volunteered** at 2nd DRMC National Math Summit 2025
- **Volunteered** at 3rd DRMC National Math Summit 2026
- **Local Representative** at International Physics Competition 2026
- **Campus Ambassador** at 22nd National Language Fiesta 2026
